

QUAMBY NURSERY - EUCALYPTUS PLANT LIST 2006

Botanical Name	Common Name	Habit	Height	Flowers	Colour	Specimen	Screen	Windbreak	Tolerates			Honey	Fuel	Special Features
									Frost	Salt	Lime			
<i>Eucalyptus albida</i>	White-leaved Mallee	mallee	3	summer	white	x	x	x						Attractive silvery-white juvenile foliage, floristry
<i>Eucalyptus annulata</i>	Open-fruited Mallee	mallee	7	spr-aut	white	x	x	x				x		Long Flowering
<i>Eucalyptus astringens</i> ssp <i>redacta</i>		mallet	5	spr-sum	lemon			x		x	x	x	x	Tolerates all soils
<i>Eucalyptus caesia</i> ssp. <i>magna</i>	Silver Princess	mallee	8	winter	red	x								Silver pedulous foliage & nuts, extremely ornamental
<i>Eucalyptus calycogona</i>	Square Fruited Mallee Goosberry Mallee	mallee	3 to 8	spring	white or pink	x	x	x	x	x	x			Abundant flowers, ornamental screen
<i>Eucalyptus campaspe</i>	Silver Gimlet	mallet	7 to 10	summer	white	x			x	x	x			Silver foliage and buds, attractive bark, tolerates smog
<i>Eucalyptus citriodora</i>	Lemon Scented Gum	tree	30	win-sum	white	x								Fragrant foliage, attractive bark
<i>Eucalyptus conferruminata</i>		marlock	8	win-spr	yellow-green	x	x	x		x				Large clusters of flowers
<i>Eucalyptus cretata</i>	Dark Peak Mallee	mallee	4		white	x	x				x	x		Small tree for limey and low nutrient sites
<i>Eucalyptus curtisii</i>	Plunkett Mallee Brisbane Mallee	mallee	7	spr-sum	white	x	x	x		x				Masses of flowers, tolerates wet soils & coastal planting
<i>Eucalyptus densa</i> ssp <i>densa</i>		mallet	10		lemon	x								Attractive flowers, highly bird attracting
<i>Eucalyptus diptera</i>	Two Winged Gimlet	mallet	10	aut-win	cream-yellow		x		x	x	x			Attractive shape, bronze to copper-red bark & unusual buds and nuts
<i>Eucalyptus diversifolia</i>	Soap Mallee	mallee	6 to 8	win-spr	white		x	x		x	x	x		Ornamental flowers & grey-pink bark, coastal planting
<i>Eucalyptus dolichorhyncha</i>	Fuchsia Gum	mallet	3 to 6	sum-win	red (yellow)	x	x	x	x	x				Ornamental pendulous red buds/fruit over a long period
<i>Eucalyptus eromophila</i>	Sand Mallee	mallee	3 to 5	win-spr	yellow		x	x	x		x	x		Attractive small tree, foliage carried to the ground
<i>Eucalyptus erythrocorys</i>	Red Cap Gum	mallee	3 to 10	autumn	yellow (red)	x					x			Spectacular red buds and yellow flowers
<i>Eucalyptus erythronema</i> var. <i>erythronema</i>	White Mallee Flanged White Mallee	mallee	3 to 6	sum-aut	red	x								Beautiful small tree with dark red bark shedding to white
<i>Eucalyptus exima</i> <i>nana</i>	Yellow Bloodwood	tree	3 to 8	spring	white-cream	x	x	x	x					Dwarf form of this outstanding tree
<i>Eucalyptus ficifolia</i>	Red Flowering Gum	tree	6 to 14	sum	white, pink, red	x		x	x	x				Magnificent floral display & dense foliated crown for shade, tolerates smog
<i>Eucalyptus formanni</i>	Die Hardy Gum Forman's Mallee	mallee	4 to 10	sum	white-cream	x	x							Profuse flowers and fine foliage
<i>Eucalyptus forrestiana</i>	Fuchsia Gum	mallet	3 to 5	sum-win	red (yellow)	x	x	x	x	x				Ornamental pendulous red buds/fruit over a long period
<i>Eucalyptus grossa</i>	Course-leaved Mallee	mallee	3	win-spr	yellow-green	x		x		x				Unusual shiny foliage makes a dense screen or hedge
<i>Eucalyptus haemastoma</i>	Scribbly Gum	tree	12	spring	cream	x			x			x	x	Unusual silvery-white trunk with scribble markings
<i>Eucalyptus incrassata</i>	Ridge-fruited Mallee	mallee	3 to 7	win-sum	cream	x	x	x		x				Very showy shrub flowering over a long period
<i>Eucalyptus kingsmillii</i>	Kingsmill's Mallee	mallee	4 to 8	spring	red or yellow	x		x	x		x			Large pendulous beaked & ribbed buds in yellow or red, large flowers
<i>Eucalyptus kitsoniana</i>	Gippsland Mallee	mallee	5 to 8		white					x			x	Ornamental bark, tolerates water-logged soils
<i>Eucalyptus kruseana</i>	Kruse's Mallee Bookleaf Mallee	mallee	3	aut-win	green-yellow	x	x		x					Unusual and ornamental silver foliage, floristry
<i>Eucalyptus lansdowneana</i>	Crimson Mallee Box	mallee	6	summer	dark pink	x			x		x			Beautiful floral display
<i>Eucalyptus lehmannii</i>	Lehmanns Mallee Bushy Yate	mallee	3 to 6	win-sum	green-yellow	x	x	x		x				Decorative all purpose tree, coastal conditions

QUAMBY NURSERY - EUCALYPTUS PLANT LIST 2006

Botanical Name	Common Name	Habit	Height	Flowers	Colour	Specimen	Screen	Windbreak	Tolerates			Honey	Fuel	Special Features
									Frost	Salt	Lime			
<i>Eucalyptus leptophylla</i>	Narrow-leaved Red Mallee	mallee	5 to 8	aut-win	cream	x			x		x	x		Masses of orange-red buds, flowers heavily with glossy narrow leaves, floristy
<i>Eucalyptus leucoxylo</i> <i>Megolacarpa Rosea</i>		tree	6 to 8	aut-spr	pink-red	x		x		x	x	x	x	Spectacular flower display of classic eucalypt look, tolerates smog and coastal areas
<i>Eucalyptus leucoxylo</i> ssp <i>petiolaris</i> <i>Rosea</i>		tree	6 to 10	aut-spr	cream, pink or red	x		x		x	x	x	x	Spectacular flower display, classic eucalypt look, tolerates smog and coastal areas
<i>Eucalyptus macrandra</i>		mallee	3 to 5	sum-aut	yellow	x	x	x	x	x	x			Stunning balls of yellow flowers, tolerates short periods of waterlogging
<i>Eucalyptus macrocarpa</i>	Mottlecah	mallee	3	win-spr	red	x								Highly ornamental, very large red flowers with silver foliage
<i>Eucalyptus marginata</i> dwarf form	Jarrah	mallee	4		cream						x	x		Highly prized furniture timber
<i>Eucalyptus melanopholia</i>	Silver-leaved Ironbark	tree	8 to 12	summer	cream	x			x		x			Attractive silver-blue foliage
<i>Eucalyptus nutans</i>	Nodding Gum Red-flowered Moort	mallee	2 to 3	spring	red	x	x	x	x					Masses of red flowers on a small shrub, useful hedge
<i>Eucalyptus papuana</i>	Ghost Gum	tree	10 to 18	aut-win	white	x								Beautiful and majestic tree with smooth white bark
<i>Eucalyptus pimpiniana</i>	Pimpin Mallee	mallee	2	all year	greenish-cream	x	x	x	x		x			Pretty and endangered eucalypt, masses of flowers start on young plants, containers specimen
<i>Eucalyptus platypus</i> ssp. <i>platypus</i>	Round-leaved Moort	marlock	4 to 8	spr-sum	greenish yellow	x	x	x	x	x	x			Perfect screen and windbreak plant with showy flowers
<i>Eucalyptus platypus</i> ssp. <i>heterophylla</i>	Coastal Moort	marlock	4 to 6	spr-sum	white	x	x	x	x	x				Good screen and windbreak plant for coastal areas
<i>Eucalyptus pleurocarpa</i> (tetragona)		mallee	3 to 5	spr-sum	cream	x	x	x	x	x	x			Spectacular white-silver foliage & buds on a tough shrub
<i>Eucalyptus polybractea</i>	Blue Mallee	mallee	4 to 8	spring	white		x	x	x			x		Highly aromatic foliage to ground level, used in essential oil production, clay or gravel soils
<i>Eucalyptus pressiana</i>	Bell Fruited Mallee	mallee	3	spr-sum	yellow	x	x	x	x	x	x			Abundant large yellow showy flowers on a small shrub, floristy
<i>Eucalyptus pterocarpa</i>		mallet	10		white	x						x		Ornamental large yellow buds
<i>Eucalyptus pyriformus</i>	Pear-fruited Mallee	mallee	3 to 5	win-spr	pink, red, yellow, cream	x	x	x	x					Spectacular flowers display, useful hedge
<i>Eucalyptus rhodantha</i>	Rose Mallee	mallee	3	all year	red	x								Highly ornamental, very large red flowers with silver foliage
<i>Eucalyptus salubris</i>	<i>Eucalyptus salubris</i>	mallet	12 to 15	sum-aut	cream	x					x	x		Coppery ornamental bark, attractive form
<i>Eucalyptus sargentii</i>	Salt River Gum	mallee	10	spring	cream				x	x	x			Excellent water absorber and fire retarder tree
<i>Eucalyptus sessilis</i>	Finke River Mallee	mallee	3	aut-win	cream	x	x				x			Attractive red buds and cream flowers
<i>Eucalyptus sideroxylo</i>	Iron Bark	tree	15	aut-win	white, yellow or pink	x		x	x	x	x	x	x	Beautiful black fissured bark, tolerates smog
<i>Eucalyptus sideroxylo</i>	Iron Bark	tree	15	aut-win	pink	x		x	x	x	x	x	x	Beautiful black fissured bark, tolerates smog
<i>Eucalyptus spathulata</i>	Swamp Mallet	mallet	6 to 10	spr-sum	white	x	x	x	x	x				Attractive crown and smooth coppery bark
<i>Eucalyptus steedmanii</i>	Steedman's Gum	mallet	8	summer	white	x		x						Striking small tree with pink-red and grey bark

QUAMBY NURSERY - EUCALYPTUS PLANT LIST 2006

Botanical Name	Common Name	Habit	Height	Flowers	Colour	Specimen	Screen	Windbreak	Tolerates			Honey	Fuel	Special Features
									Frost	Salt	Lime			
<i>Eucalyptus stoatei</i>	Scarlet Pear gum	mallet	6	spr-aut	red (yellow)	x	x	x	x	x	x			Dense bushy shrub makes a useful hedge, with ornamental nuts over a long period
<i>Eucalyptus stricklandii</i>	Strickland's Gum	mallet	8	summer	yellow	x				x		x		Thick clusters of yellow flowers, attractive form
<i>Eucalyptus tetragona</i>	see <i>E pleurocarpa</i>													name change to <i>Eucalyptus pleurocarpa</i>
<i>Eucalyptus tetraptera</i>	Square-fruited Mallee	mallee	3	all year	red (yellow)	x			x					Unusual eucalypt with extremely large ornamental buds and leaves
<i>Eucalyptus torquata</i>	Coral Gum	tree	4 to 10	spr-sum	cream to pink	x			x	x	x	x		Beautiful & popular tree with decorative buds, long flowering period
<i>Eucalyptus torwood</i>		tree	6 to 10	win-sum	yellow to orange	x			x		x			Abundant large showy flowers, hybrid of <i>torquata</i> and <i>woodwardii</i> , floristry
<i>Eucalyptus varia</i>		mallee	7		yellow	x	x	x	x					Lovely shaped shrub with dense foliage to ground level
<i>Eucalyptus vesiculosa</i>	Corackerup Mort	marlock	3		red		x	x						Stunning pendulous red flowers on a small tree
<i>Eucalyptus woodwardii</i>	Lemon Flowered Gum	mallet	10 to 15	all year	yellow	x					x			Spectacular tree with large yellow flowers and silver fruits
<i>Eucalyptus youngiana</i>	Large-fruited Mallee	mallee	8 to 10	win-spr	cream, yellow or red	x								Spectacular large flowers up to 75mm in diameter

x May need protection from frost while young
